### DESCRIPTION AND PURPOSE OF ITEM

This item identifies the Highway Performance Monitoring System (HPMS) number assigned to a section of highway on which additional information is collected for the FHWA.

This information is used for location purposes and information transfer to FHWA.

This item can be determined through a sampling process in the Central Bureau of Urban Program Planning. If in question, contact the Central Bureau of Urban Program Planning.

Note: See the IHIS HPMS Information and Procedure Manual for additional explanation.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A 8-digit numeric code.

#### DO NOT ENTER

This number is unique within a county.

This number consists of a 3-digit county code (for valid values, see the table for County, Item 6), a 4-digit section number.

Usually the County code is not displayed.

#### Example

#### Description

0560310

A McHenry County (056) HPMS Section assigned the number 0310.

0000000

The previously identified HPMS Section ends.
